

# 1) Operations lookahead view

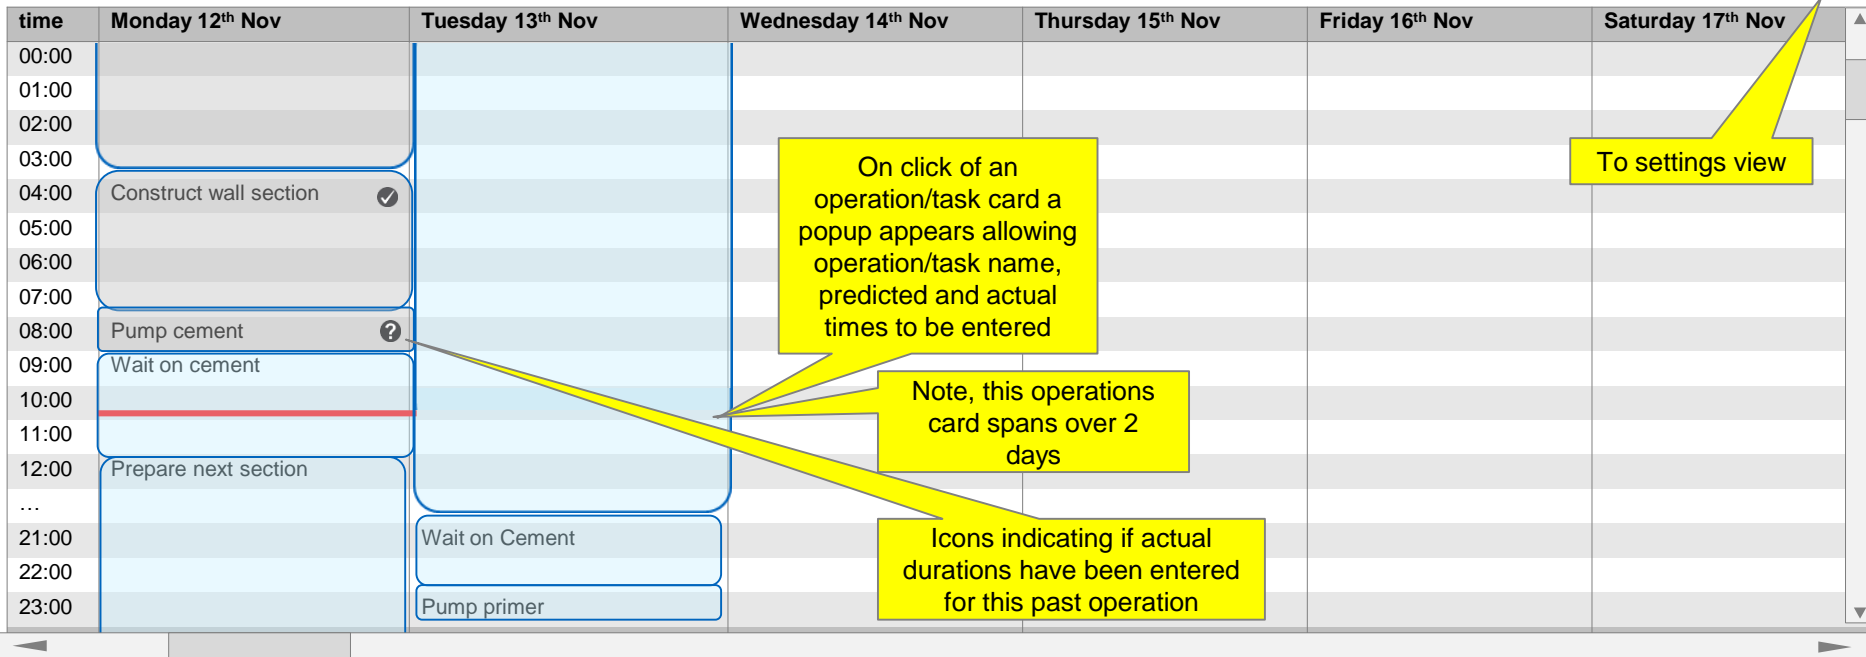

http://www.liveloookahead.com/q=?h6jkh

LiveLookahead – <lookahead\_name>

Me

Note: red line indicates current time

Note: horizontal scroll through time

Note: each operation/task looks like a “card” that spans over a certain time. The edges of the card can be dragged to expand the duration of a task

Note: should be 1 hour intervals covering 24 hour period in each column – tasks run continuously over 24 hours
